

Write 24 in 2024

with the *Happier with Gretchen Rubin* podcast community

For every day that you write for 2 to 4 minutes, check off the box. Don't break the chain! At the same time, remember that what we do most days matters more than what we do once in a while. If you write every day, that's terrific. If you write most days, that's terrific too.

I commit to writing 2 to 4 minutes a day in 2024:
